Product Paramenters

Magnetic GYM Bag

1.We use **3 strongest magnets N52** same as magnets as the magnetic bag company, Can bear around **5.6KG**

2. The magnets are fragile,it's dangerous. We use **strongest N52 rectangle magnets**,cover with protection metal case. Safe and looks totally different level as others.

Product Description

Magnetic Gym Bag

This versatile bag is spacious enough to hold a water bottle, your keys, a cell phone, and other small accessories, making it an ideal choice for anyone on the go. The thoughtfully designed compartments help you stay organized, so you can focus on your workout without the distraction of a cluttered bag. Whether you're heading to a high-intensity training session or a relaxing yoga class, the Magnetic Gym Bag has got you covered.

Customer Reviews Specifications **Description** Store More to love

Material: Terylene, leather film, and polyesternMagnetic Strength: Built-in strong magnets securely attach to metal surfacesnSize: Compact dimensions of 25*15*11cm, suitable for standard 500-800ml water bottlesnDesign: Ergonomic widened strap with breathable back paddingnFunctionality: Internal magnetic design for easy access and hands-free usenVersatility: Ideal for gym, running, cycling, hiking, and other outdoor activitiesnnn**Durable and Convenient Design**nThe Magnetic Gym Bag Water Bottle Bag is a versatile accessory designed to cater to the active lifestyle of fitness enthusiasts and outdoor adventurers. Crafted from a robust combination of terylene, leather film, and polyester, this gym bag is not only durable but also lightweight, ensuring that it can withstand the rigors of intense workouts and daily use. The internal magnetic design is a testament to its functionality, allowing you to quickly and easily access your water bottle without the need to remove it from the bag. The magnetic pouch is perfect for those who value convenience and efficiency during their workout sessions.nn**Secure and Accessible Storage**nThe Magnetic Water Pouch Bag is engineered to provide a secure and accessible storage solution for your water bottle and other essentials. The bag's strong magnets are strategically placed to securely attach to metal surfaces, such as gym equipment or bike racks, freeing up your hands for other tasks. The side pocket is an added convenience, allowing you to store your keys, energy gels, or other small items. The magnetic water bag's compact size ensures that it fits a standard 500-800ml water bottle, making it an ideal companion for hydration during your workouts or outdoor activities.nn**Comfort and Versatility**nThe Magnetic Water Bag is not just about functionality; it's also designed with your comfort in mind. The ergonomic widened strap with breathable back padding is engineered to reduce bounce and increase comfort during physical activities. Whether you're hitting the gym, going for a run, cycling, or hiking, this sling bag is the perfect companion. The waterproof coating ensures that your belongings stay dry and protected, making it an ideal choice for all-weather sports needs. The magnetic water bag's versatility extends beyond the gym; it's a practical accessory for anyone who values convenience and organization in their daily routine.

Product sellpoints

- Versatile for Any Activity: This sling bag is not limited to gym use; its versatile design makes it perfect for various activities, whether you're heading to the gym, running errands, or enjoying outdoor adventures, offering maximum flexibility.
- Convenient Magnetic Closure: Equipped with an easy-to-use magnetic closure and a strong shoulder strap, this water bottle bag ensures your essentials are securely held, allowing for effortless carrying and enhanced security during any activity.
- Ideal for Gym Use: Our magnetic gym bag is specifically designed for gym-goers, offering a practical way to carry essentials like water bottles, keys, and more, making your workout experience more convenient and organized.
- Spacious and Functional Design: With its large capacity, this water bottle carrier bag can comfortably accommodate your phone, water bottle, keys, and other essentials, making it an incredibly practical choice for those who need to carry multiple items efficiently.
- Magnetic Surface Attachment: Designed with a unique feature, this crossbody water bottle pouch can be easily attached to any iron surface, providing an innovative storage solution that enhances convenience and accessibility in different

Item Description

Select high quality home supplies

Magnetic Gym Bag with Phone Pocket Gym Accessories Organizer with Shoulder Strap Gym Bottle Pouch for Water Bottle Holder

Features:

1.Magnetic Gym Bag: Designed with three internal magnets, this gym bag securely attaches to any iron surface and holds most standard water bottles. Convenient access to essentials without placing it on a dirty floor, perfect for gym or outdoor use.

2.Multi-layer Sling Bag: This magnetic sling bag offers multiple pockets for organizing your items. It includes a central compartment for a bottle sleeve pouch, zippered pockets, and side mesh bags for your phone, keys, wallet, or earbuds, ensuring secure and convenient storage.

3.Multiple Bottle Sleeve Pouch: With adjustable straps, effortlessly switch between crossbody bag, shoulder, or backpack mode. This waterproof crossbody bag with a bottle sleeve pouch is ideal as a small gym bag, mini gym bag, or for active lifestyles.

4.Versatile Functionality Gym Bottle Pouch: From intense gym sessions to hiking, this magnetic crossbody bag is perfect for all occasions. Use as a compact gym bag or gift for fitness enthusiasts, suitable for both men and women.

5.Lightweight Crossbody Bag: Made from high-quality materials, this gym accessories organizer is lightweight yet solid, providing long-lasting performance in any active environment.

Specification:

Origin: Mainland China

Customer Reviews Specifications **Description** Store More to love

Versatile Design and Functionality
The Magnetic Water Bottle Holder Bag is not just a gym accessory; it's a versatile companion for all your fitness and outdoor adventures. The bag's barrel-shaped design and ample storage space make it perfect for carrying your water bottle, phone, keys, and other essentials. The magnetic feature ensures your items are securely within reach, allowing you to access them swiftly and easily. With a durable construction comprising leather film, polyester, and strong magnets, this bag is built to withstand the rigors of your daily workouts or outdoor expeditions.

Convenience for the Active Lifestyle
Designed with the active individual in mind, this magnetic bag offers a wide array of features to enhance your workout and outdoor experience. The bag's portability is unmatched, with a detachable shoulder strap that doubles as a backpack or waist bag, providing multiple carrying options. The thoughtful inclusion of a phone pocket ensures your device is always within reach, and the adjustable clamp water bottle pouch is ideal for various bottle sizes, including the popular Stanley. The bag's lockable design adds an extra layer of security, making it a reliable companion for your gym sessions or outdoor adventures.

Tailored for Every Fitness Enthusiast
Whether you're hitting the gym, hiking, or engaging in other physical activities, this magnetic water bottle holder bag is your go-to accessory. Its universal design, suitable for both men and women, makes it a versatile addition to your fitness gear. The bag's sleek appearance is not just functional but also stylish, making it a seamless addition to your gym or outdoor attire. The magnetic features allow for easy attachment to iron surfaces, and the bag's capacity is ample to store all your essentials, from water bottles to personal items.

Material: Wear-resistant skin film and lightweight polyesternMagnetic Module: Built-in strong magnets for secure attachment to metal surfacesnCompatibility: Designed to fit standard 500-800ml sport water bottlesnComfort: Ergonomic widened and breathable back strap for reduced bouncenVersatility: Ideal for gym, running, cycling, hiking, and other sportsnWaterproof: Features a waterproof coating to handle sweat and splashesnnn|Magnetic Water Pouch Bag|Magnetic Water Bag|nn### Unmatched Durability and FunctionalitynThe Magnetic Gym Bag Sling Bag stands out with its robust construction, featuring a combination of wear-resistant skin film and lightweight polyester that promises longevity and durability. This bag is not just a storage solution; it's a testament to resilience and quality. The internal magnetic design is a testament to the bag's functionality, allowing for quick access to your water bottle while keeping your hands free during high-intensity workouts or outdoor activities. With a magnetic water pouch, you can securely attach your bottle to gym equipment or bike racks, ensuring that you're always prepared for your hydration needs.nn### Ergonomic Comfort for Every AdventurenForging ahead in the realm of gym bags, this crossbody water bottle pouch is designed to cater to your comfort. Its ergonomic widened and breathable back strap, combined with an innovative curve that fits the waist and back, significantly reduces bounce and enhances comfort during physical activities. Whether you're hitting the gym, running, cycling, or hiking, this bag adapts to your movements, ensuring that your water bottle remains secure and accessible at all times.nn### Versatile and Adaptable for Your Active LifestylenThe Magnetic Gym Bag Sling Bag is not just a bag for gym enthusiasts; it's a versatile accessory that adapts to various activities. Its compatibility with standard 500-800ml sport water bottles makes it a go-to choice for hydration on the go. The addition of a side pocket for keys, energy gels, and other small items keeps your essentials organized and within reach. The bag's waterproof coating means that it's not just suitable for the gym but also for outdoor activities where you may encounter sweat or splashes. Its compact size of 25*15*11cm ensures that it doesn't take up too much space, making it a convenient companion for all your active adventures.
